

## QUARTZ-HALOGEN DOCK LIGHT

### HEAVY DUTY L41

All new redesign for 2012: Same durability and light output; now with five pivot points and 25% lighter

Work confidently with Lind Equipment's new and improved L41 heavy duty halogen dock light. This light has what it takes to light up an entire trailer so that you can get your job done no matter the weather conditions or time of day.

Suitable for even wet areas, the L41 has a 40" extension arm with five pivot points for easy positioning. Two adjustment knobs allow the fixture to pivot up and down on the heavy-duty yoke.

#### L41

Bulb: 500W quartz halogen  
Light output: 10,500 lumens  
Construction: Aluminum fixture, tubular steel arm, tempered glass and wire guard
